Tools

Sports lover, active mountain biking and running, I like to challenge myself every day, to travel and discover new cultures and see the world through my photographic lens. At this moment I live the biggest challenge of all, that enchants me every day. Being a father and watching my son discover the world every day is the best experience that life has given me.

Experience

Aug.2020 - Present

Head of design & Ux Designer
URMNZ International

Responsible for organizing and structuring two applications oriented to sports and social networks, defining a clear and easy user experience through defined personas in order to deliver an MVP so that the projects advance to another research stage.

Nov.2018 - Aug.2020

Lead Ux Designer
TWISPER International

Initially responsible for the app ux design and all the preparation for launching of the app reporting directly to the CEO. User research booster in order to collect useful information for the evolution of the app. I integrated the work team in order to improve the process flows between the different departments.

Team coordinator distributing work to 4 designers between b2b and b2c

Feb.2018 - Nov.2018

Technician & Trainer
Bankintercard

Part of the sales team, reaching the monthly goal several times, which enabled me to be a trainer for new sales teams.

Jan.2016 - Feb.2018

Freelance Designer

Responding to several clients from small and medium companies to the Angolan government, I worked with stationary, branding, events, company presentations, leaflets, brochures, among others.

May.2013 - Dec.2016

Graphic Designer
Ideasign - ideias com assinatura

I worked on the pagination of the Angolan government magazine "Parlamento", in several exhibitions that were held between Portugal and Angola promoted by the Angolan Ministry of Culture, and the design rehabilitation of several museums spread across Angola.

Other activities

2007

Trainer in the area of Photography, highlighting the Training Action "Photography and Digital Manipulation".

2005-2006

Member of the Student Association Board and member of the Events Organization Polytechnic Institute of Tomar.

Complementary training

2010

Pedagogical Training Course for Trainers (90 hours) (nº. EDF 2915/2008)

2011

Digital Photography Initiation Workshop - Syncview

2016

SketchUp Course Modeling Techniques - ARQCOOP

Other competences

High Team Spirit and Interpersonal Relationship, seeking to boost cooperation among all colleagues and promoting a culture of inter-help; High Customer Orientation skills, seeking to know each customer as an individual and to find answers that meet their needs and expectations, creating a relationship of trust and partnership.
